Last year was the first year we offered a prepaid food service at 24 Hours. It was an improvement on previous years, and we've continued to evolve the offering further. We hope you will join us in 2023 for great food at great value, and without the hassle of catering for yourselves.

We understand not everyone is there for the full period, or will be around for every meal. But we hope you appreciate the opportunity to enjoy the experience.

*** CURRY NIGHT WILL BE SATURDAY NIGHT.
